

# Membership

## SIMPLIFY MEMBERSHIP MANAGEMENT

### Powerful Member Profile Tools

#### Personalize Service With Member Access

Efficiently manage critical member interactions while providing simple member self-service access and integration with your other Agilysys solutions. Agilysys Membership provides a complete suite of capabilities from defining your program characteristics to managing dues and invoicing, tacking rounds played and spa treatments, managing member check-ins and check-outs, configuring groups and much more.

#### Delight members with

##### Membership Portal

Membership Portal allows easy online registrations, gives members the ability to update profile and preferences, view their benefits, view upcoming events, check their balances, view member statements, redeem points via gift cards, eCash, loyalty, and so much more!

##### Member Family Visibility

View and optimize family spending, manage dependent cards, adjust spending limits, and review usage for family members.

##### Property Information

View news and press announcements, as well as photo galleries of events at the property, send notifications to members on upcoming events.

##### Admin Portal

Provides the ability for a property to easily manage their membership programs, member privileges, tier levels, qualifiers, and business rules as well as configure the member portal for their members.

*"Agilysys Membership is enabling our members to administer their own membership accounts. We are seeing improved data accuracy, better tracking of family member accounts, and more satisfied members."*
